

A Tribute to South Apalachin Baptist Church

by Bob Holmes

South Apalachin Baptist Church has been a blessing to the Berachah Baptist Church in Owego through the years of existence. SABC has supplied speakers, the use of the baptistery, and counseling by Pastor Walter.

At times between pastors, speakers have been supplied. One that blessed us was Rev. David Titus. He supplied several times. Others helped with filling the pulpit. This was greatly appreciated.

The use of the baptistery was another blessing. In 1963 Beth, Debbie and Daniel Hall were baptized and when Rev. Gale Smith was pastor of Berachah, Midge Brougham was baptized in 1967. At other occasions the baptistery was used. This helped the ministry of Berachah.

In 1995 and I needed some counsel and Pastor Walter was a big help more than once.

Through the years South Apalachin has been a blessing and a source of Christian fellowship.
